# PHCC WEST 2012

**CONVENTION & TRADE SHOW**

**MAY 9-12, 2012**

***'Building Our Strength Together'***

PHCC of California is joining with PHCC of San Diego, PHCC National & our Western Associations to bring you an exceptional convention experience. Entitled 'Building Our Strength Together', our conference features exciting speakers and relevant topics to assist you in building your p-h-c business.

The PHCC of San Diego will host their 20th Annual Trade Show on Saturday, May 12th in the Grand Hall of the Town & Country Resort. This will be one of the largest groups of quality decision-making contractors in one place that San Diego has ever experienced. Exhibitors from around the country will present the latest p-h-c products on the market as well as the newest technological advances available in the industry. There is no admittance charge, and this promises to be an educational and exciting day!

NAPHCC will be holding a two day "Regional Instructor Workshop for Plumbing" seminar. Day 1 will involve instructional methods, Day 2 will consist of technical presentations from various vendors.

**CONTACT PEGGY HALL AT 800-780-PHCC OR PEGGYH@CAPHCC.ORG FOR REGISTRATION INFORMATION!**
