

PHC contractors are raving about the energizing education, networking and entertainment at **CONNECT 2010** in Las Vegas.

“Being my first real PHCC/QSC event – I never thought I would get so much out of my few days in Vegas. Kudos to those that put this whole thing together. Not only did I leave with a ton of information, I brought back hardware for being the best Wii golfer (for 9 holes).”

– Ben Friedman, Atlas Plumbing Company, Dallas, Texas

“Here’s a salute to the QSC and PHCC staff – here’s a salute to a job well done, great event. It was great getting to meet and speak with all I encountered. How fortunate I am to still love this industry and to be able to understand *We are here to protect the health of the Nation.*”

– Steve Allen, Allen’s Plumbing, Hawaii

“The ability to attend a QSC Power Meeting and PHCC convention in one trip.”

“Seminar quality...Trade Show was a nice service... loved the opening breakfast speakers and closing night was fun too.”

“Networking, trade show and seminars/ education programs were all very well done.”

“I thought the entire convention was one of the best we have EVER had! From functions, to seminars, to trade shows, to business meetings!”
